Museum Rules

Teachers, please review the museum rules with your chaperones and students before visiting the museum.

Teachers

Be prepared. Please read over this field trip guide to prepare yourself and students for your visit.

Be prompt. Please plan to arrive 10 minutes early to check in. Please have your group assemble outside the museum's front doors while the group leader checks in at the admission desk. If you are late, you may miss your scheduled tour or have to wait.

Be attentive. Remind your students and chaperones to listen to instructions given by museum staff upon entering the building.

Be responsible. Chaperones must stay with the group and maintain order at all times. Please advise chaperones it is their responsibility to ensure students follow all museum rules. Failure to comply may result in your group being asked to leave the museum.

Be considerate. When in the museum, please be mindful of others by keeping voices down. Unruly students and/or chaperones will be asked to leave the museum.

Be careful. Please remind students not to touch or stand on any artifacts or platforms. Running, jumping and roughhousing is potentially damaging to the artifacts and dangerous to museum visitors.

Be neat. Please dispose of gum, food, drinks, and candy before entering the museum. Please dispose of any trash items in the proper receptacles.

Be aware of parking restrictions.

Students:

- Always walk inside of the galleries and when going up and down the stairs.
- Observe all museum exhibits with your eyes only.
- Be respectful to yourself, your peers, other museum guests and the museum itself.
- Remain in the building until otherwise instructed by your chaperones.
