IV. Chairman’s Report – Suzie Terrell gave the following report:
    a. Mary Coulon – Suzie Terrell reported that Mary Coulon is returning to the Board and will be sworn in at the next Board meeting on May 15.
    b. New Committee Assignments – Mary Coulon will be on the Collections Committee and is interested in the Hunt Slonem exhibit that will open this year.  She will be working with the staff, the Foundation and guest curator.  Suzanne Perlis will be retiring from her teaching job in June and would like to remain on the Collections Committee, as she will now be able to attend meetings.  Ken Pickering asked to be removed from the Governance Committee.
    c. Legislative Issues – Suzie Terrell provided an update on the Legislative session.
    d. Irby Trust Letter – Suzie Terrell reported that the letter was signed.
    e. Accreditation 2024 – Suzie Terrell reported that the Museum’s reaccreditation would be due in 2025, and that a self-study had to be done in 2024.
    f. Request of Loan from Senator Kennedy – Suzie Terrell reported that Senator Kennedy had requested the loan of several paintings from the LSM’s Collection for display in his office in
Washington. After pointing out the Museum’s loan policy and other issues, the Senator has withdrawn his request.

V. Interim Directors Report – Susan Maclay noted that as she had been out of the country for the past two weeks, her report would be brief. She reported that while she was out, Captain Randy Fernandez of the State Museum police ran a detail with private duty officers during the evening for two weeks to try and keep the Lower Pontalba and the front of the Presbytère and Cabildo clear. The details were a success and will hopefully keep the areas cleared for a while, though we expect that eventually it won’t last and we will have to run the details again, but for now the Lower Pontalba tenants were very pleased. She also reported that earlier in April she had attended the budget hearings at the State Senate Finance Committee meeting and at the House Appropriations Committee meeting, where the Museum’s budget request was made along with the Department of Culture, Recreation and Tourism’s budget and all of the other divisions within DCRT.

VI. Governance Committee – Ruth Burke was absent so no report was given.

VII. Architectural Preservation Committee
   a. Update Status on Madame John’s Legacy –
      Susan Maclay reported that the Architecture Preservation Committee met on April 11, 2023. Three options were presented on how to proceed with the work at Madame John’s Legacy. The result was the committee voted to go with option #2, which would fundamentally keep the Federal-era features of the building intact, except for rebuilding the chimney, which was in too bad of shape to rebuild, and to repair and restore the building in its current configuration, except rather than reconstruct the exterior wall, the piers would be rebuilt contingent on the outcome of an archeology report.

VIII. Irby/Finance Committee
   I. Commercial Tenants
      a. Columns on the Square name change DBA Fives – Wendy Lodrig made a motion to allow Columns on the Square to do business as the Fives. Motion was seconded by Suzie Terrell and the motion passed unanimously.
